“ The host did such a great quiz
event for us and our client!
Everyone said they had so much
fun! It's not the first time I participated in
a Quiz Coconut event, and every time they
master it to a new level and surprise with
new ideas. Such a pleasure to have you

mixture of both people
we knew and those we

“ The feedback is all positive!
The guys love the format and
challenges. I thought the pace

and time flew by so fast. Without a

FREQUENTLY ASKED QUESTIONS

many more questions answered
on our dedicated FAQ page
www.quizcoconut.ca/faq

Q: Do players need
to provide anything?

A: No! Just a prize if you
wish to award one.

Q: Do players need to
prepare anything?

A: Nope! They follow a link
and that's it. No props or
preparation required.

Q: Do people play in teams or individually?

A: Either! For work events where people know
each other, playing in teams can promote collaboration.
This takes a little more preparation as teams have to be
set up in advance. Playing as individuals is easier to set
up and works for groups of any number. Attendees still
benefit from the big group atmosphere.

In cases such as webinars, conference or when attendees
don't know each other very well, playing as individuals
is more successful.

Q: We have a diverse
group. Is this suitable?

A: Sure is! Our content is tried and
tested on varied crowds of all ages
and backgrounds, and is tailored to
your group. No one feels left out!

Q: We have a mixture of
people at home and
some in offices, will it work?

A: Yes! We can ensure the
challenges work for those at
home or in the workplace.
